<p><b>Product Description:</b></p> <p>Exterior lighting in the shape of a nail for T5-21W lamp with electronic ballast. Alu-structure paint finish.</p> <p>The device is supplied with a long aluminium bar which can be placed in the ground and to which the device can be fitted. As a result of this, and also thanks to the connecting cable, which comes out of the device just above the ground, the device can be easily moved around in the garden.</p>
