<b>Product Description:</b>	
<p><i>Chiara is a luminous wall sculpture, designed and created by hand from polished steel by Giovanni Casellato. The design of Chiara is extremely original, characterised by pure shapes for the creation of a bold result.</i></p> <p><i>Steel refraction creates suggestive and sophisticated light on the wall, making Chiara a lamp which becomes a strong decorative element for single and refined environments.</i></p> <p><i>The author produces each piece manually, interpreting each object with different movements which exclusively following his hand movements.</i></p>
